

# 1/4 Cent Sales Tax Referendum

What does it mean for Pasquotank County residents?

\$100 pair of new shoes...  
with current sales tax.... \$106.75  
with 1/4 of a penny sales tax added....\$107.00

Pay at the pump? No!

The 1/4 cent sales tax increase does not apply to gas for your car or groceries for your family.

**NOT** just for Pasquotank County residents!  
Every person that shops in Pasquotank County.... not just our community ....  
will pay the additional 1/4 Cent sales tax.

\$8 Lunch.....  
with current sales tax.....\$8.54  
with 1/4 of a penny sales tax added....\$8.56

*For 2¢ more at lunch...you could potentially increase sales tax revenue by \$1,000,000!*

**What impact could ECPPS realize from an increase in sales tax?**

The additional revenue could provide funding to support:

- Capital outlay projects such as heating and air systems
- technology needs
- Class-size mandates
- as well as other needs for the district

*The Board of Commissioners determine how to use funds from the sales tax increase; however, they have stated their intention is to use the additional funds to support education.*
