

Comprehensive Progress Report

Mission:

ECMS will create an innovative learning community with a positive school culture that promotes college and career readiness by increasing teacher capacity with digital learning tools. As a result, student achievement will be increased by utilizing personalized learning environment rich in critical thinking and problem solving skills. ECMS will leverage personalized digital learning and community partnerships to ensure students are fully prepared for future college and career readiness.

To create 21st Century learners are globally competitive.

Vision:

Elizabeth City Middle School is a dedicated learning community focused on student engagement. We are committed to providing challenging experiences for our staff and students that result in high levels of achievement.

Goals:

By the end of the 2020-2021 school year, all students at ECMS will be supported socially and emotionally by developing accessible outreach opportunities from all stakeholders for an increase of 20% participation to decrease out of school suspensions for students by 50% over 3 years.

ECMS will increase overall student proficiency for all students in grades 6-8 in ELA and Math to (55%-2019, 60%-2020, 65%-2021) and 8th grade science to (68%-2019, 74%-2020, 81%-2021) as measured by NC EOG assessments. ECMS will increase student growth for all students to perform at meet or exceeding growth as measured by EVAAS data for EOG/NCFE assessments.

Improve school culture by building staff capacity through positive relationship and professional development in order to decrease both staff turnover and increase staff/student attendance to 95% by May 2019.

	9/14/18	<p>MTSS lessons developed for students who received frequent (5 or more) office referrals for the 2017-2018 school year. These students will use Harmony Lesson facilitated by elective teachers for 4 weeks daily and learning techniques for dealing with stress and conflict management.</p>			Joyeria Brothers	09/28/2018

Notes: After the four weeks are over, if the students still need additional support they will see the guidance counselor for more support.

9/14/18 PBIS committee has been formed and will meet once a month to review discipline data to determine the goals for the following month and plan celebrations. This group will have teacher representatives and student representatives (2-3 students from each grade level).

Joyeria Brothers

01/15/2019

Notes: We will use schoolwide PBIS celebrations to help with teaching self-reflection and making better decisions.

10/21/18 Employ a behavior specialist to assist students with severe-emotional needs to support the student and the teacher in the classroom setting

Delishia Moore

01/15/2019

Notes: Use Title I funds to hire a part time staff member to serve as the behavior specialist. This position would work a total of 25 hours a week.

9/14/18 Professional development will be developed by the school/district instructional coaches to help with teachers who have chosen this as a goal or seen appropriate by the ILT or administrators.

Sarah Byrum

05/30/2019

Notes: This will be as a needed basis and determined by 5x5 walkthroughs and teacher observations.

9/14/18 Classcraft will be used as an incentive for all students to focus on the proper behaviors needed to be a successful student using a gaming software.
